

## REQUEST TO AUDIT A COURSE

**Instructions:**

Students who wish to audit a course(s) must provide the information requested below. Students who have already registered for the course they wish to audit should return the completed form to the Registrar's Office before the end of the Schedule Change period. After change of schedule period, students who have not registered should attach this form to the Roll Correction Form. A change from audit to credit status is not permitted. No credit or grade will be given to an audit course. Students may not elect to audit a course after the first week of the semester.
